

# Grow With Us!

No.5 , November 25

## Highlights of 2023 Seed Library

More than 1000 packages of flower, vegetable, herb and tomato seeds were borrowed from the Price George Community Seed Library

Record attendance at the beginner seed saving workshop held at the Bob Harkins Branch and the Nechako Branch of the Prince George Public Library

Donations of seeds from community members and Master Gardeners were returned for for the 2024 growing season

### Still have collected seeds to donate??

The Seed Library is still accepting collected seeds until **mid December 2023**

Drop off cleaned, germination tested seeds at:

- **PG Public Library; Nechako or Bob Harkins Branch**
- **Homespun Refillery**

### What is a germination test?

B.Wildfong. (2015) How to do a germination test. *Seeds of Diversity*.
